1. TG-220030

Lamb, Lee A

General rate increase request that, as originally filed, would have generated approximately \$15,349 (36.3 percent) additional annual revenue to recover increases in disposal, fuel, maintenance, and repair expenses. The company and staff have agreed to a revised revenue requirement of \$16,554 (39.2 percent) additional annual revenue. The revised rates for garbage services are higher than the original rates noticed to customers. The company provides regulated solid waste collection service to approximately 150 residential and commercial customers in Stevens County. The company adopted rates on acquisition in 2010; the prior company's last general rate increase became effective on January 25, 2003.
